## Career Objective

A undergraduate in information science engineering. My strong academic performance and sound behavioural skills should enable me to quickly ramp-up and add value to your organization. Looking forward to begin my professional career by working towards your organization's growth and profitability, while also advancing my professional skills.

## Academic Profile

Examination Passed	Year	College(Board)	Percentage of marks
B.E-Information Science & Engineering	2018	Siddaganga Institute Of Technology, Tumakuru.	8.67 (CGPA).
Pre – University	2013	Sri Sathya Sai Loka Seva PU College, Muddenahalli, Chikkaballapur.	92.33%.
SSLC	2011	Don Bosco High School, Chitradurga.	92.64%.

## Technical Skills

Programming Languages : C, C++ , Core Java  
Operating System : Linux (Ubuntu), Window  
Markup Languages : HTML, CSS  
Scripting Languages : JavaScript, TypeScript  
Database Languages : SQL  
Conversant with : Operating System, Data Structures, Algorithms  
Tools : Code Blocks, Visual Studio  
Basic concepts of ' Angular 4' and 'express.js'.

## Academic Projects

- 'Gender detection by facial recognition using Artificial Intelligence'.

We solved the above problem statement using ‘Tensorflow’, an open source software library widely used for solving problems in AI domain. We used ‘Inception V3 model’ for retraining the dataset and we developed code in ‘python’ to detect gender.

- ‘**Advocate Database Management**’.

This project mainly focuses on the problems that an advocate faces like maintaining records of his cases, list of cases that his juniors handles and other related problems. I used ‘Angular 4’ for front end design, ‘MySQL’ for storing database and ‘express.js’ as middleware for connecting front end and back end.

## **Strengths**

- Problem solving skills.
- Team working skills.
- Good communication skills.

## **Extra-curricular activities related to Academics**

- Undergone training in FEEL Employable Program.
- Participated in “DST Inspire Internship Science Camp” organised by Bangalore University, Bengaluru.
- Participated in the workshop titled “UAVs for Agriculture” organised at Department of Aerospace Engineering, Indian Institute of Science, Bengaluru.

## **Non-academic Extra-curricular activities**

- Served as volunteer in medical camps.
- Completed junior level examination in Carnatic music.
- Participated in shuttle badminton and table tennis tournaments.
- Interested in trekking.
- Active participant in group meditation.

## **Hobbies**

Guitarist, swimming, playing badminton, cricket, table tennis, reading spiritual books.

## **Personal Details**

Date of Birth: 24-12-1997

Languages known: English, Hindi, Kannada.

Permanent Address: ‘Hoysala’, JCR Extension fourth cross near Ganapathi temple Chitradurga Karnataka, PIN-577501.
